Our Services

OBN Financial Services is a member of Brokers Ireland. Our principal business is to provide advice and arrange transactions on behalf of clients in relation to protection, investments & pension products. The firm provides advice on a fair and personal analysis of the market with regard to its IDR & IIA authorised activities. A full list of insurers and product producers with which we deal with is available on request. OBN Financial Services Ltd. do not have any 'tied' relationships with any lenders that would compromise our ability to offer our clients advice on a fair analysis basis.

Fair Analysis

"The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs. "

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search. In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and any other relevant consideration.

Life, PRSA's, Pensions/Deposits & Investments

OBN Financial Services provide life assurance, pensions and investments on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to Income Protection and Specified Illness policies. Specifically on the subject of permanent health insurance policies it is our policy to explain to you a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources. For a specified illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Disclosure of Information

We must gather and record sufficient information from a customer in order to make an offering, recommendation, arranging or providing a product or service appropriate to the customer. The information required is general personal details (including medical where necessary), needs and objectives, the current and past financial situation of the customer. This information is not shared with external companies other than where we intend to place the business and is primarily taken so we can provide our customers with a suitable product. You are not obliged to give us this information but this may result in us not being able to do business with you. Any failure to disclose material information may invalidate your claim and render your policy void.

Consumers Duty of Disclosure when completing documentation for new business/renewals and midterm adjustments

Section 14 (1) – (5) of the Consumer Insurance Contracts Act which is effective from 1st September 2021 alters consumer's duty of disclosure:

You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the 'average consumer'. Average consumer as per Directive No. 2005/29/EC of the European Parliament and of the Council of 11 May 2005 is reasonably well informed and reasonably observant and circumspect, taking into account social, cultural and linguistic factors.

Specific questions will be asked. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged.

An insurer may repudiate liability or limit the amount paid on foot of the contract of insurance, only if it establishes that non-disclosure of material information was an effective cause of the insurer entering into the relevant contract of insurance and on the terms on which it did.

Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

Commercial Customers: Non-Consumer Disclosure of Information

It is essential that you should bring to our attention any material alteration in risk such as changes of address, company structures etc.. Any failure to disclose material information may invalidate your claim and render your policy void.

Claims

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance. You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time. If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty). If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract. Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.

Cancellation

You may cancel a contract of insurance, by giving notice in writing to the insurer, within 14 working days after the date you were informed that the contract is concluded. This does not affect the notice periods already provided under European Union (Insurance and Reinsurance) Regulations 2015 (S.I. No. 485 of 2015) or the European Communities (Distance Marketing of Consumer Financial Services) Regulations 2004 (S.I. No. 853 of 2004) which is 30 days in respect of life policies, irrespective of whether the sale took place on a non-face to face basis, and 14 days in respect of general policies and only on sales that took place on a non-face to face basis (distance sales).

The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover.

Anti-Money Laundering/Countering the Financing of Terrorism

Our firm reserves the right to request any facts about a client which it reasonably believes it needs to know in order to comply with the Criminal Justice (Money Laundering and Terrorist Financing) Amendment Act 2018 and as amended.

The Investor Compensation Company Ltd. (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme.

Compensation may be payable where money or investment instruments owed or belonging to clients and held, administered or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so. A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
